Chalking & Painting Foul Lines, Batter's box and more...

For **Development & Senior League** Baseball

Outfield Distance:

Foul lines extend **100m** from sharp corner of home plate.

Center field should be **120m**.

Batter's Box:

120cm x 180cm, offset **15cm** from the side of the home plate.

Half-length line of the box, lines up with center of the home plate.

Catcher's Box:

Extends **2.4m** from the sharp corner of home plate.

Measure **17cm** from the back inside corner of the batter's box.

Runner's Lane:

The line starts from the halfway point between home plate and 1st base.

90cm in foul territory. The line extends to the back corner of 1st base.

Coaches' Box:

6m x 3m rectangle, **4.5m** away from the foul line.

The side facing away from the home should be lined up with the 1st or 3rd base.

On Deck Circle:

Circle with a **75cm** radius, placed near the dugout gate.
