Chalking & Painting Foul Lines, Batter's box and more...

For Women & Slow pitch League Softball:

Outfield Distance:

- For **Women & Girls**, the foul lines extend **65m** from the sharp corner of home plate. Center field should not be more than **70m**.
- For **Slow Pitch**, the foul lines extend **85m**, And Center field should be about **90m**.

Batter's Box:

It is **90cm x 210cm**, offset **15cm** from the home plate.

Of the box's full length, **90cm** is behind the center of home plate, and **120cm** is in front. The outer corners of the box should be able to connect with the foul line. (see image)

Catcher's Box:

Extends **3m** from the back of the batter's box.

The sidelines extend from the outermost lines of the batter's box. (see image)

Pitcher's Circle:

A circle with a **2.4m** radius from front center of the pitching rubber.

Coaches' Box:

6m x 3m rectangle, **4.5m** away from the foul line.

The side facing away from the home should be lined up with the 1st/3rd base.

On Deck Circle:

Make a circle with a **75cm** radius, near the dugout gate.
